The Five Solas of the Reformation

1. ***Sola Scriptura*** ("Scripture alone")
The **Bible** alone is our highest authority.

2. ***Sola Fide*** ("faith alone") We are saved through faith alone in Jesus Christ.

3. ***Sola Gratia*** ("grace alone") We are saved by the grace of God alone.

4. ***Solus Christus*** ("Christ alone") Jesus Christ alone is our Lord, Savior, and King.

5. ***Soli Deo Gloria*** ("to the glory of God alone") We live for the glory of God alone.

The First Don
Ezra 4

When doing what you know God has told you to do, there is no room for compromise.

1. Look at the situation

2. Look at the issue

3. Look at the choice

4. Look at the consequences

FOR FURTHER THOUGHT AND SMALL GROUP STUDY:

1. Consider the following scenarios:
   a. Your six-year-old has a bedtime of 8pm. A special TV show he wants to watch ends at 9. Do you compromise?
   b. The raise you get at work will help you pay off some outstanding debts over the next year. Your spouse wants to spend the money on leasing a new car. Do you compromise?
   c. Your boss asks you to sign some records that will make your numbers look good to headquarters, though the numbers are exaggerated. Do you compromise?
   d. Your alcoholic husband tells you to call the boss and tell him he's sick. You know that if you don't, he's likely to get violent. Do you compromise?
   e. Co-workers invite you to join them for a few drinks after work, a practice they engage in every day. You know it would get you on their good side if you did. Do you compromise?
   f. Is compromise always bad? Name some areas where compromise is a good thing. When is it a bad thing?
2. What happens when you compromise on a moral issue? What do you lose?
3. Read Ezra 4:1-5. For background, you might want to look at 2 Kings 17:24-41. Why did Zerubbabel turn down the offer of help? What did it cost him?
4. What is one quality of a worshiper that God is looking for in Psalm 15:4? How does this relate to the issue of compromise?
5. What are the areas in which you are likely to be asked to compromise this week? (Think of such things as your entertainment habits, your representation of Christ at work or school, your devotional life, etc.)
6. James defines sin in James 4:17 to say "Anyone who knows the good he ought to do and doesn't do it, sins." How does that passage help you get a handle on sinful compromise? In what things do you need to be more consistent?
7. "The Evangelical Free Church is ecumenical in spirit though not in structure." What does that mean? How far can we go ecumenically? When does cooperation in the cause of Christ become compromise?
8.
