## A Chorus of Thankfulness

Psalm 107

*Recalling how God has provided for us in the past will lead to thanksgiving in the present and confident trust for the future.*

Stanza 1 (v4-9): God has brought us through **unsettledness** and given us **stability**.

Stanza 2 (v10-16): God has brought us through **hard times** and given us **freedom**.

Stanza 3 (v17-22): God has brought us through the **consequences** of our sin and given us **wholeness**.

Stanza 4 (v23-32): God has brought us through **storms** and given us **peace**.

## FOR FURTHER THOUGHT AND SMALL GROUP STUDY:

1. What's your biggest concern for the future?
2. Think of the four circumstances addressed in this Psalm (review the section headings of the sermon). Do they prompt you to think of any "God-stories" that you can pull out when things get rough and you are worried about the future? What's the effect of pulling those stories out?
3. What are some of the highlights you'd want to feature if you were to write a stanza of this Psalm that would feature Hingham Church?
4. What are some of the highlights you'd want to feature in writing a stanza about your own life? Can you share one on Thanksgiving morning in our service of praise and worship? Can you share one at the dinner table on Thanksgiving day?
5. Read Philippians 4:6-7. Why do you suppose Paul would have encouraged us to pray with thanksgiving when we're anxious? What things do we have in mind when we pray with thanksgiving? Why would that make a difference in our anxiety?
